

### Architects and interior designers

You'll be inspired by how well LLumar® iLLusions™ complements your design skills. Remarkable choices set you free to create stunning, functional public and private environments. You'll find it easy to add unique depth and personality without sacrificing practical considerations.

### Commercial building managers

You'll appreciate how easy LLumar iLLusions makes it for you to brand an old space for a new tenant, especially when it is used with the LLumar PrecisionCut® system for logos or unique design requirements. You'll also value it as a cost-effective way to make updates to fit the changing needs of a loyal tenant.

### Trust LLumar® window film for your next project.

Wherever there is glass, there is an opportunity for LLumar to enhance aesthetics, energy efficiency, comfort, safety, and security. LLumar window films protect and improve homes, businesses and vehicles in nearly 100 countries. We work directly with architects, designers and customers to ensure our products directly answer market demands.

Eastman Chemical Company, the manufacturer of LLumar products, is one of the largest, most integrated film production companies in the world. Our films feature superior quality construction and are designed to last. We confidently stand behind every LLumar product with a factory-backed warranty.\*

Inspiration comes in many forms. LLumar® iLLusions™ brings your vision to life.

Whether you're creating a mood or addressing a functional concern, it's sometimes hard to know when inspiration will strike. When it does, LLumar iLLusions decorative films are here for you, with a broad palette of styles that includes frosts, patterns, textures, gradients and specialties. They'll bring your vision to life.

Able to brilliantly enhance existing properties or new projects, LLumar iLLusions is everything you need it to be. Durable yet also removable, it can be a lasting feature or temporary update. For a wide range of design and project goals, you'll find it hard to resist experimenting with LLumar iLLusions. That's because this line of over 50 styles of decorative film has been carefully curated to spark ideas and fuel imagination.

LLumar® iLLusions™ Decorative Window Film  
Imagine the possibilities.

Before Window Film

### Elegant frosts

The frost film series ensures privacy and diffuses light without compromising brightness, allowing it to deliver on design goals for a fraction of the cost of etched glass.

### Design ideas

- Distinguish lobby entrances with logo and branding cutouts
- Conceal clutter in copy, storage and library areas
- Add privacy in bathrooms and private offices

Frost

### Realistic textures

This series of elegant films can refract light and simulate the sparkle and clarity of a textured glass window, without the designer glass cost.

### Design ideas

- Create an upscale look for medical office entrances
- Provide ambience and mystery in a spa setting
- Reduce distractions in conference rooms

Brushed Crystal

### Get inspired with LLumar® iLLusions™

Wherever there is glass, there is an opportunity for LLumar iLLusions decorative window film to enhance aesthetics, stimulate creativity and improve functional design. Here, one of our gradient films helps to disguise clutter in a design firm's sample library.

Dot Matrix Gradient

### Modern gradients

A match for current design trends, each of the unique patterns in this series transitions from clear to opaque. Gradient films are a smart solution to partially block out views, selectively hide unattractive areas or add a fresh design element.

### Design ideas

- Reduce the "fishbowl effect" in conference rooms
- Meet varying privacy needs in hotel spaces
- Maximize light flow through the top of glass walls

Green

### Distinctive specialties

Mask light, add privacy or add a pop of color with this high-impact series including bold hues and opaque films. Enliven retail spaces and commercial properties with customized, unique combinations.

### Design ideas

- Add a pop of color to lobby entrances
- Design vibrant partition walls and stairways
- Cover retail storefronts during renovation and construction projects

After with Blinds Gradient

### Graphic patterns

Our patterned film styles are available in designs ranging from playful dots to classic pinstripes. Match your décor and design aesthetic with varying levels of translucency, including opaque white patterns.

### Design ideas

- Inspire creativity in the workplace with decorative partition walls and stairways
- Add privacy, without eliminating light and views completely
- Boost interest in retail spaces by differentiating storefront glass

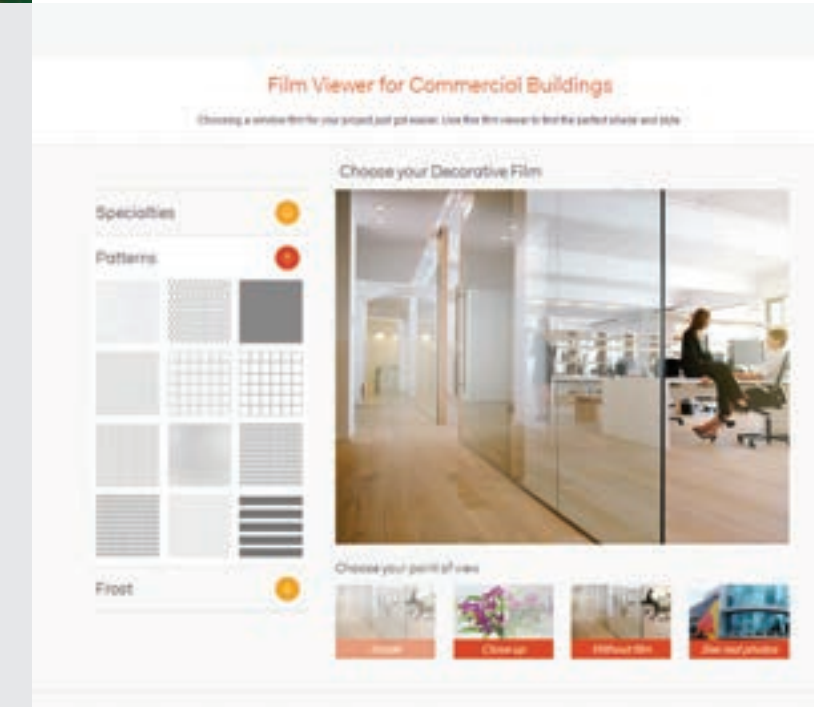

White Wood Grain

### Galerias Monterrey Footbridge Monterrey, Mexico

Color and a unique design brighten a glass-enclosed footbridge at the Galerias Monterrey mall. The extensive product line of LLumar® iLLusions™ gave mall managers endless design options with the color stability to endure the harsh sunlight of northern Mexico.
